The image shows a close-up of a door with a dark, textured wood-grain finish. A black horizontal strip, likely a partition or handle, runs across the middle of the door. The lighting is dramatic, highlighting the texture of the wood and the sleek surface of the black strip. In the upper right corner, there is a black rectangular box containing white text.

For doors higher than 3 meters,
10mm partitions are applied.

T920

A close-up photograph showing a 3D printed stainless steel detail. The detail consists of two thin, polished metal strips that intersect at a right angle. One strip is oriented vertically, and the other is oriented diagonally. The background is a dark, textured surface, possibly a 3D printed part or a material with a fine, pebbled texture. The lighting highlights the metallic sheen and the precision of the print.

T955

A close-up photograph showing a material with a two-color combination. The top-left portion is a dark, textured material, possibly leather or a synthetic equivalent, with a pebbled grain. The rest of the image is a light grey, matte-finished material, likely the special external aluminium facing mentioned in the text. A sharp diagonal line separates the two materials. A dark, metallic-looking strip is visible along the top edge of the image.
